2 May 2017

Dear Parents / Guardians,

We celebrated the academic, leadership and CCA achievements of our students and graduands at our 18th Awards Day on 9 April. Entitled "Our Dreams, Our Future", we had the rare privilege of having Mr Andrew Purcell, Operations Manager from Google, as our Guest of Honour. Through a video message, he urged our students to continue pursuing their passions and not be daunted by obstacles and challenges they may face. The many awards we gave out that day are a testament to that bright future that our students will be co-creating for themselves and for Singapore.

At our annual Sports Day on 13 April, we witnessed the display of our students' sporting talents at Choa Chu Kang Stadium. We also had the privilege of having many of our parents from our PSG take part with our staff in the relay race that day. What an exciting race it was as we saw students cheering their hearts out for their teachers and the parents alike. Our Houses gave their very best too through the various races, and in the cheering competitions. Hawk House emerged overall champion for 2017, while Eagle House was awarded the champion trophy for the cheering competition.

We are now in the midst of the mid-year examinations, and I hope that every student is putting in his or her very best towards the first major examination of the year. Regardless of their eventual results, what's most important is that they put in the requisite effort and learn from their mistakes. It is also important that they sleep and eat well so that they have the energy to perform at their very best. Do ensure that your child / ward is well-rested during this stressful period and do continue to provide them with the moral support and encouragement.

Read on to find out more about our students' achievements in Term 2 and the various upcoming events and programmes in Term 3. I wish one and all a very restful June holiday break too in advance.
