18 May 2016

Dear Parents / Guardians,

We are quickly coming to the end of the first semester in 2016. I hope all students have had a smooth and enriching semester so far. Regardless of the outcome of their recent mid-year examinations, effort matters more than the actual results. What is more important than the results is that they learn from their mistakes to see how they can further improve in their academic subjects. If you would like to discuss with our teachers on how to better support your child/ward in his or her studies and development, do feel free to book a slot at the upcoming parent-teacher meeting scheduled on 27 May.

The June school holidays will be from 28 May – 26 June. School reopens on Monday, 27 June. We wish you and your family a restful and enjoyable break.
