

ENTERING SEC 1 IN

2025

FULL SUBJECT-BASED BANDING

Full SBB is part of MOE's ongoing efforts to nurture the joy of learning and develop multiple pathways to cater to the different strengths and interests of our students.

UPON COMPLETION OF PSLE

Students will be graded with Achievement Levels (AL) 1 to 8 for each subject, with AL1 the highest score a student can attain and A8 the lowest.

The 2024 Secondary 1 cohort will be posted to secondary schools based on their cumulative AL score. Their cumulative ALs will also determine what subjects they can take.

PSLE SCORING BANDS

PSLE SCORE (AL)	SUBJECT ELIGIBILITY AT START OF SEC 1
26 - 30	G1
25	G1 OR G2
23 - 24	G2
21 - 22	G2 OR G3
4 - 20	G3

There are 3 suites of subjects that students can take based on their cumulative AL scores - G1, G2 and G3.

G3 would be the highest level and corresponds to the Express Stream.

FULL SBB @ ZHENGHUA SEC

What does full SBB look like in Zhenghua Secondary School?

1. MIXED FORM CLASSES

You will be placed in mixed form classes. Each class comprises students from different courses of study.

2. DIFFERENTIATED TIMETABLE

Your timetable will look different from your classmates' as you may be taking subjects at different levels.

3. COMMON CURRICULUM

There are some subjects that you will be learning together with your form class. These subjects are: Art, Character & Citizenship Education, Design & Technology (D&T), Food & Consumer Education (FCE), Music and Physical Education (PE).

4. OFFERING HUMANITIES AT A MORE DEMANDING LEVEL

At Secondary 2, you may get the chance to take up a Humanities subject at a more demanding level if you are interested and meet subject-specific criteria.

ZSS ZIESTA

In Zhenghua Secondary School, we have our ZSS Ziesta twice a year. This is a period of time where we get to learn and experience programmes that are beyond our normal curriculum. These could involve workshops, learning journeys, level-wide camps or activities.
