- Football
- Sports Club
- Volleyball

### Clubs & Societies

- AVA Club
- Infocomm Club
- Library Club

## DANCE

Dance Club is made up of the Malay Contemporary Dance and Street Dance. The club showcases the creative talents and precise coordination and teamwork of passionate dancers. In 2024, our dancers emerged Champions for the Varsity Category in the World Supremacy Battlegrounds (Singapore) Dance Competition, and clinched a chance to represent Singapore at the WSB International Dance Championship in Sydney in 2025! Our Dance Club is proudly helped by celebrated instructors Mr Norhaizad Adam and Mr Alif Aircho.

## SCOUTS

Zhenghua Fox Scout Group grooms future leaders with invaluable life skills and unwavering values, who also make positive contributions to society. Our excellence shines through accolades like the Frank Cooper Sands Award and the recognition of 6 Chief Commissioner's Award recipients in 2024. These accomplishments celebrate the dedication of our members in upholding Scouting values through service, skills development, and community involvement.

## VISION

### Dynamic Learners, Exemplary Leaders and Thoughtful Contributors

In Zhenghua, we strive to develop every student, regardless of their starting point, to be future-ready individuals, where they would be Dynamic Learners, Exemplary Leaders and Thoughtful Contributors. Specifically, our students would embody the following attributes:

- Self-directed in their learning, and thinks flexibly
- Forward in their thinking, and inspires others
- Keen sense of awareness, and sees giving as a way of life

## MISSION

To prepare every student to better meet the challenges of the future by building the student's emotional, ethical, intellectual, physical and social capacity.

## SCHOOL VALUES

- Respect
- Resilience
- Responsibility
- Integrity
- Compassion

## LEARNING FOR LIFE PROGRAMME (LLP) : OUTDOOR EDUCATION FOR CHARACTER AND LEADERSHIP DEVELOPMENT

### Outdoor Education is in our DNA

Our LLP aims to provide students with varied outdoor experiences and equip them with the competencies and attitudes to enjoy the outdoors. During their time in the school, students will have the opportunity to experience the following:

- First Aid skills
- Orienteering skills
- Kayaking 1 Star Award
- Plan and implement their own class camp
- Outdoor Cooking
- Pitch tents and build shelters

Scan or click on the QR Code to get a 360° experience of kayaking!

## APPLIED LEARNING PROGRAMME (ALP): FUTURE OF TRANSPORTATION

### Future of Transportation

Our ALP offers students a unique opportunity to acquire fundamental coding skills using the M5Stack platform. Additionally, it integrates the Design Thinking framework, enabling students to design and prototype their vision of a future transport vehicle or technology that caters to the needs of future transport users. In 2024, we also had our STEM Learning Festival, where students get to experience various workshops such as:

- Augmented Reality (AR) and Virtual Reality (VR) Creation Workshop
- Learning Journey to Sentosa to learn about the role of STEM in coral reef restoration
- I Scream for Ice-Cream Workshop at Science Centre
- Drone Soccer Workshop

## ARTS @ ZHENGHUA

### A Cosmos of Talents

In Zhenghua, students are exposed to a variety of learning experiences in Music and Visual Arts to foster creativity and lifelong learning skills. Through lessons, workshops, and performances, students have the opportunity to explore different music genres, develop their talents, and gain an appreciation for the elements of music. To celebrate their musical achievements, we provide platforms for students to perform during class and assembly sessions.

We also provide opportunities for students to explore Visual Arts through learning journeys, workshops, and working with practicing artists under the AISS Scheme. To recognize the effort and good works of our students, student works are displayed around the school, and an Art exhibition was held during our annual Awards Day to share their achievements with our guests.

## STUDENT LEADERSHIP

### Student Leadership Development Philosophy

The Leadership Challenge by James M Kouzes and Barry Z Posner is adopted as the leadership framework in Zhenghua Secondary School.

Leadership lessons taught during the Character, Leadership and Citizenship sessions are based on the five practices of the leadership challenge model. This is to imbue student leaders with skills and passion to use innovative platforms to serve the student body and address the needs of the communities.

Various leadership roles are available to encourage greater participation in one's leadership development. The student leadership structure includes the Students' Council, CCA leaders and Class leaders.

### Student Leadership Training Platforms and Opportunities

- Leadership training workshops and camps
- Project management of school-wide events
- Student-initiated "Architects of Zhenghua" projects

**Filbert Ho**  
Recipient of  
Lee Hsien Loong Award for  
All-Round Achievement 2024

**Seah Aik Enid**  
Recipient of
